Créé :	13/10/2023	Assigné à:	
Mis-à-jour :	13/10/2023	Echéance:	
Sujet:	text editor, Groovy syntax highlighting		
Description			
Currently it is impossible to edit Macro code within TXM with Groovy syntax highlighting features. The user must then edit code outside TXM.			
Solution 1			
Provide Groovy syntax highlighting.			
Solution 2			
Provide Groovy code-writing support services (including syntax highlighting).
