Créé :	15/11/2023	Assigné à:	
Mis-à-jour :	15/11/2023	Echéance:	
Sujet:	EditFile command, XML Editor presentation		
Description			
2) display the "Source" panel when opened			
When opened, the editor displays the "Design" panel (hierarchical tabulated view). But the user needs to use the usual view of the "Source" panel. This was working in the previous version of the extension.
