Sujet:	import, default structure @n numbering must start at '1' instead of '0'		
Description			
Currently, all default structures @n numbering start at '0' instead of a usual '1' from the user perspective. Example output from the Properties command output: - p - n (895) = 0, 1, 2, 3, 4, 5, 6, 7, 8, 800.			
Solution			
Number all structures @n properties from '1'.
